

Rental agreement Scooter(Trotтинett) Downhill track regulations Bettmeralp - Betten Dorf

Rules

- The minimum age for the scooter ride is **10 years**.
- Children under **16 years** must be accompanied by an adult.
- A helmet must be always worn.
- Caution: **oncoming traffic** (pedestrians, bikers, vehicles, cattle etc.) may be encountered at any point on the carting track.
- The scooter may only be used on the officially designated route. Hiking trails are not to be used.
- Driving style and speed must be adapted to the terrain, one's skill level and other road users.
- Road traffic regulations must be observed. In particular, drivers must drive on the right, be able to come to a standstill at any time within half the visible distance and give priority to pedestrians.
- As part of the general road and trail network, the marked downhill track is neither monitored nor protected by any special safety measures.
- Scooters must be returned to the cableway station on Betten Dorf immediately upon reaching the end of the ride.

Terms of the contract

- After test-driving the scooter and testing the brakes, with his signature the rental customer confirms receipt of a perfectly serviced scooter.
- The rental customer ensures that any minors in his care are likewise informed of the rules.
- The scooters are licensed for one person only. The riding along of children is not allowed.
- The cost of any damage arising from the improper use of the cart will be charged to the rental customer.

Important note

- The brake disc becomes very hot during the scooter descent. Please do not touch it - even directly after the descent.

The rental customer confirms that he/she has read and understands the rules and terms of the contract. He/she undertakes to abide by them.
